## LADIES GROUPS

### MONDAY MORNINGS

#### **A Study of the Book of Acts** (by Charlotte Travis)

Plan to explore how Jesus Christ worked out His plan for the Kingdom with His disciples and how He inspires His followers today to continue building the Kingdom. We will explore five studies each week for 22 weeks. Each day's lesson begins with an invitation to pray for the Spirit's gifts. Lessons typically suggest reading a passage from the Bible, reflecting through journal entry, studying for daily service, and committing a verse to memory.

## WEDNESDAY EVENINGS AT 6 PM (beginning January 15)

#### **The Message of Grace**

We are going to take an in-depth view of Luke 15, The Lost Coin, The Lost Sheep, and The Prodigal Son. Being lost is a persistent feeling within the human heart because our sin has destroyed the intimacy with God we once experienced in the Garden of Eden. God sent Jesus, our true elder brother, all the way to earth to rescue us from the exile of our sin and restore us to full communion with God. We will look at the future homecoming feast for all believers when we will celebrate the return of full intimacy between God and us.

*Room E323 No Cost Led by Dick Forbes*

#### **Jesus Among Secular gods** (Zacharias, Vitale)

Not only has the Christian worldview been devalued and dismissed by modern culture, but it's believers are also openly ridiculed as irrelevant. This six-session Bible study challenges the popular and trending philosophies of the day, skillfully pointing out the fallacies in their claims and presenting compelling evidence for absolute truth as found in Jesus and revealed in Scripture.

*Room E308 Book \$13 Led by John Dodge*

#### **Run For God-The 5K Challenge**

This 5K Challenge offers a 12-week Bible study that allows runners to parallel the principles of faith and endurance in a way that helps others, even those who have never run, through their first 5K.

*Room E330 Book \$22 Led by Jeff Burney*

#### **Biblical Foundations of Missions**

We believe the biblical, theological foundations of missions are critical not only for missionaries, but also for the churches who send them. In view of Christ's command to make disciples of all nations, we need to know who missionaries are, what they do, why the church must send them, and how we can help them succeed.

*Room E300 No Cost Led by Steve McCombs*

#### **The Prodigal Wallet**

The Bible instructs us to be good stewards of our resources. Too often, instead, our money leaves and we have no idea where it went or how to keep it under control. In this interactive class, we will discuss personal finance through a Biblical viewpoint, learn practical money management, and welcome home our prodigal wallet!

*Room E305 No Cost Led by Josh Chapman*

#### **GriefShare**

GriefShare support groups are led by people who understand what you are going through and want to help. GriefShare resources will help you recover from your loss and look forward to rebuilding your life.

*Room E334 Book \$15 Led by DaNita Chaplin*

#### **DivorceCare**

This is a caring group of people who will walk alongside you through life's most difficult experiences. Don't go through separation of divorce alone.

*Room E333 Book \$15 Led by: Will Carroll*
